

Questions Asked by Our Shareholders during Ordinary General Assembly

In our Ordinary General Assembly held on April 29, 2019, one of our shareholders has asked if the Company's successful performance in 2018 is expected to continue in 2019 as well. The question was answered as follows:

Answer: 2019 guidance was disclosed during the announcement of 2018 financials and based on this guidance it has been expected that revenue and sales volume growth would be continued in 2019.

The question of our shareholder and the answer provided by our Company is also available in general assembly meeting minutes.

Best regards,
