## Announcement Regarding the News In The Media

In some media outlets, there has been false news that Coca-Cola İçecek A.Ş. has been engaged in advanced stage talks with The Coca-Cola Company ("TCCC") to acquire Coca-Cola Beverages Sri Lanka ("CCBSL") and the potential deal could be finalized in a few months.

In addition to pursuing organic growth opportunities in our existing markets, we are engaged in continuous discussions with TCCC for value enhancing geographical expansion opportunities in and around the geographies we operate. However, there are no talks between TCCC and our company at this stage regarding a potential acquisition of CCBSL and the news flow does not represent the truth.

This announcement is made in accordance with CMB Communique On Material Events Disclosure (II-15.1) article 9.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communique" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
